Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Friday 23 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, hot and sunny but risk of an isolated shower.

Today:
Another hot day, the coolest conditions on the east coast. Largely sunny and dry, but a few isolated heavy thundery showers are likely to break out in the west during the afternoon. Maximum temperature 30 deg C (86 deg F).

Tonight:
Another warm sunny evening with largely clear skies overnight. It will be a less warm night than recently, be stull very mild. Minimum temperature 14 deg C (57 deg F).

Saturday:
Another sunny day. Most likely dry. It will be warm or very warm, particularly in the west, but less hot than recent days. Maximum temperature 26 deg C (79 deg F).

Outlook for Sunday to Tuesday:
Mostly dry warm and sunny on Sunday, a slight chance of an afternoon shower. Turning cloudier and cooler through Monday, rain later. Cooler again with showers on Tuesday.
